My School

Wu Si Chong, the best school.
It is like my family.
Students are hard-working like the bees.
I like this school very much.

Wu Si Chong, very warm.
I go here every day.
Teachers are kind to all the students.
I will be number one of this school.

My School

Wu Si Chong, Wu Si Chong,
You are twenty five years old.
We will celebrate with you.
Hope you can be more famous.

Wu Si Chong, Wu Si Chong,
Well done in the green campus.
We like learning in the school.
You are the best school in Tuen Mun.
