Primary 6: Creating Lyrics About Our School

FIRST

6B Tse Hei Lam, Amy

My School

I love my helpful teachers,
Teach me sing, teach me things.
Learning things in so much fun
In Wu Si Chong.

I like my friendly classmates,
Share their joy, share their toys,
Sharing love is so much great
In Wu Si Chong.

SECOND

6B Tsang Tsz Yin, Janet

My School

Wu Si Chong is like my home,
I like it, I like it!
Teachers are like my parents,
Take care of me.

I'm going to a secondary school,
I'll miss you, I'll think of you!
I don't want to say good bye
To Wu Si Chong.

My School

I like playing at my school.
Wu Si Chong, You are great!
Playing there is full of fun.
With all classmates.

I like reading at my school.
Wu Si Chong, number one!
Reading there is so nice.
With all teachers.
