I am Sammi. I would like to tell you about the things I do at school. I have English lesson in English room. I play the matching games. I read English story books too. I have Music lessons in music room. I sing songs and play the piano. At recess I read books in the library at recess.

I also have P.E. lessons in the playground. I play badminton with my friends. I play football too. It is fun. I am good at sports.

I like studying at school because my teachers are hardworking and helpful. They are kind. I also like my friends because they are generous and friendly.

### Grandma's Soup

Andy and Grandma are cooking soup. First they put some mushrooms in the soup. Next Andy gives some sugar to Grandma. Then she asks, "Is it salt?" Andy says yes. Then they taste the soup. Grandma says, "Well! it is sweet!"

Then Andy says, "Oh no! Sorry, Grandma. It is some sugar I give you." Finally Grandma says, "It is OK. The soup is yummy." Andy feels happy. They enjoy the sweet soup.

Wet

I got up early in the morning. First I ate sandwiches. Then I listened to CDs with my friends at home. Next I went to a supermarket with my mum.

In the afternoon, I was bored so I read interesting stories. I ate chocolate too. It was yummy.

In the evening I watched TV and painted pictures. It was wonderful today!

**A hiking trip**

My family and I have a holiday. We go hiking in the countryside. First, we walk and walk. It is sunny. We feel very hot. Then, we see an old man. He sits on the floor. He is very sad because he is hurt. Finally, we help the old man phone his family. His family goes home with him.
