

Kenny Slept in the Lesson

One day, Kenny was very tired because he played computer games at midnight. He slept on his desk in Chinese lesson.

Soon, Miss Chan saw him. "Wake up, Kenny ! Don't sleep !" said Miss Chan. However Kenny was still sleeping on his desk. Miss Chan was angry.

After a while, the school bell rang. "It's recess time. Please line up and go to the playground," said Miss Chan. The pupils were happy.

Suddenly, Kenny woke up. "Where are my classmates ?" asked Kenny. He felt scared. Finally he went to the playground alone. He was upset. "I will not do it again!" he thought.

Mid Autumn Festival

I had an enjoyable Mid-Autumn Festival Holiday this year.

In the morning, I went to the supermarket to buy fruit and snacks. I bought some starfruits, apples and pears because mum and dad like eating them.

In the afternoon, I called my friend, Candy and invited her and her family to join us in the park in the evening. I had a beautiful bear lantern and I wanted to play with her.

In the evening, I saw Candy. We ate moon cakes and some fruit. They were delicious. My cousins, my friends and I played lanterns and florescent sticks together. We watched the moon too. We felt very happy.

Finally, we enjoyed the evening very much. I think it was a wonderful day.

When I Was Little

I talked to my friends about myself when I was little.

There wasn't an iPad. There weren't any DVD players.

Nobody had electronic products.

When I was little, nobody played electronic games. They played hide-and-seek. Nobody had MP3. Children played Chinese chess.

I couldn't get dressed by myself when I was one year old, so mum helped me. I didn't have a tutor so dad and mum helped me with my homework at that time.
